Please be sure all students will be **available for the entire course.** This course will include classroom lectures, group discussions, individual and group exercises, practical field problems, scenarios and tests. All classes will be conducted Monday through Friday. The hours for instruction and practical exercises may vary and will include at least one evening practical exercise. The total hours of required instruction will not exceed 80 hours. *All participants must be full-time, sworn law enforcement officers and considered "On-Duty" while attending the course.*

The surveillance practical exercises will require the students to participate using a rental or unmarked agency vehicle. Students without vehicles will be partnered with another student who has a vehicle.

If you are interested in attending the course please return the attached form, signed by you and your supervisor, to Special Agent Albert Brezicha, DEA Seattle, by **FAX only to (206) 281-5245**.
